

"A CHURCH FOR ALL"

HOW DO WE ENSURE OUR SERVICE IS MEETING THE NEEDS OF ALL?

This may be a challenging question because we all have different needs and desires as to what we 'expect' from our Worship Service.

Following concerns over some aspects I have chosen to ask you—the congregation to assist.

Churches should be areas where anyone experiencing life difficulties has a place where they are encouraged to participate, whatever skills they have. Our church is there to provide the community opportunities to build meaningful contact with others.

As church members we need to accept, support, care for, love, forgive and welcome individuals into our fellowship, even when they don't look, act or behave in ways we find 'comfortable.'

So how can we continue to enjoy the service while ensuring we don't destroy someone's contribution even when it does not 'fit into our comfort zone?'

I look forward to sharing your responses as we move forward in this regard. JUDI
