## *A word from Steve....*

Three Funerals and 2 Memberships. A time of endings and a time of beginnings, A time to say thank you for sharing in the journey, A time to celebrate the partnerships God has so graciously allowed us to share. Here we are, well lets face it, a fairly motley crew, at least by big well resourced church standards. But it seems to be the story of the Gospel all over again, God working through our weakness, Jesus using ordinary people to do extraordinary things, and you have done extraordinary things. As I lock up the church now, I have a very present sense of loss, how many times have I locked up and said thank you God, for the amazing things have happened here, now it's different, there are goodbye's and last times. Yet as I look around and are reminded of events, and people, I still have so much to be thankful for.

But the partnership, each of us, with God, will go on, and in this way we remain strongly connected. I look forward to hearing the stories of God's work here.

Just this week a Family Life work colleague told me that they had wandered over to see the place and found it to have a wonderful feel.

Keep up the faith and love you have to share, it is making a profound difference.

God Bless Steve
