The Hughes family,
and any others on the hearts of
our church family.

DISCIPLES FOR JESUS

April 10

Today we continue celebrating all that
God gives us

LET'S CELEBRATE JESUS

We will see how our
feet can lead us to
Jesus and learn the
following verse:

"God loved the world
so much that
He gave us
His one and only Son"

Judi's jottings.....

I wanted to say what a pleasure it was to share in the Working Bee Saturday 2nd April. Hard work, yes, but what an opportunity to share together. The ladies who painted in the cry room shared memories about books they had read, what it was like at school, past experiences – some happy/some sad. It was a wonderful, informal way of sharing our struggles and our joys. The pumpkin scones were a delight and provided nourishment for our rumbling tummies. The men gravitated between many tasks such as putting up the speakers (which meant the ladies had to battle for the ladder); getting down on hands and knees to scrape the paint from the foyer floor; cleaning windows and much more. For those who were unable to be there – can I encourage you to join us for the next working bee so you too can have your faith and person supported within a caring and loving congregation.

Judi

You are invited to participate in our **‘POT LUCK’ EASTER SERVICE APRIL 24**

What is it?

It is a chance for people to bring along something to share that has significance for them at this time of year. Our Lord's great sacrifice and His marvelous resurrection.

What can I share?

It may be a portion of scripture, a song, poem, picture, drawing or short story.

As these items will be interwoven through our normal Easter Sunday service please let JUDI know as soon as possible as there will be a limit on the number of items and allocated time for each.

The children will be remaining with us in the chapel for the service and if you have a desire to share a story, short activity or song with them – you are most welcome.

PLEASE LET JUDI KNOW BY NO LATER THAN SUNDAY 17 APRIL

Phone 9773 2086/ Mobile 0423 715 374 or
