## DISCIPLES FOR JESUS

### October 10th

How many people would it take to knock down the walls of a building if they only played trumpets and shouted?

How many would it take to knock down the walls of an entire town?

We are going to make our own trumpets and act out the story of Joshua and the town of Jericho.

### October 17th

Are you a 'Can Do' child?  
Could you stop the morning dew from wetting a piece of fleece just by asking God?

Gideon did and through the use of paints and canvas we are going to create our own pictures of this amazing story and a 'can do' person.

# Steve's Sayings...

I confess I have stayed up a little too late last night watching the Games. Hasn't the Commonwealth Games brought some great moments of vicarious pride, perhaps none better than 31 year old Heugel winning Gold. As you know this didn't happen easily, as the 31 year old had to come back from retirement and lose 45 Kilos to record his best time in 10 years. His story reminds me of our church, lets face it we are mostly retired! Yet we too have come back from retirement to succeed well above what any of us would have predicted. Like all athletes, victory only comes with training and hard work. All of you have worked hard for our Kingdom victories, with faithfulness prayer, cleaning rosters, attending or running those many things we do etc. Thanks for your amazing stories of victory.

Of course victory only comes with the right training, so if we want to grow our community relationships in faith, it may be helpful to learn more about how we get beside people and walk with them , encouraging them on their journey of faith. Martin Boutros will be meeting the board soon to help us explore how we can do this best in our postmodern world of 2010. Stay tuned, Go for Gold.

God Bless  
Steve
