A WORD FROM THE REV.....

NEW LIFE

Easter, a time to celebrate, a time of renewal, a time to notice new life.

Of course in the Northern Hemisphere, Easter is in spring, but here on the bottom of the world Easter is in Autumn. We can still notice though the new life that comes from Jesus rising from death.

In fact right here at Chelsea, this week, I am seeing some remarkable new life as a result of our ministry and support for programs in Christ's name.

"John" comes to our programs from his disability unit. He is so excited about coming here that each Wednesday he gets up at 5 am, has a shower, gets ready, and then goes to sit by the bus for two hours waiting to be brought here.

"Chris" also comes from a disability unit. He has been socially isolated to such an extreme that for the last few years hasn't talked. This year he started coming to Breaky and Work for the Dole. In the past few weeks he began to use Lyn's (the teachers) name. Last week he began to say thankyou, and to show his work of and talk about it. Chris is experiencing new life in a big way. The change in Chris is so great that now everyone from his unit wants to come!

It seems to me that here, and in so many other places, Easter is bringing new life, in a real and tangible way.

Christ is risen, he is risen indeed.

God Bless

Steve

Has Easter got you thinking?
