DISCIPLES FOR JESUS

What is your family like?

For the next four weeks we are going to share things about our families, families in the Bible and our church family.

June 12

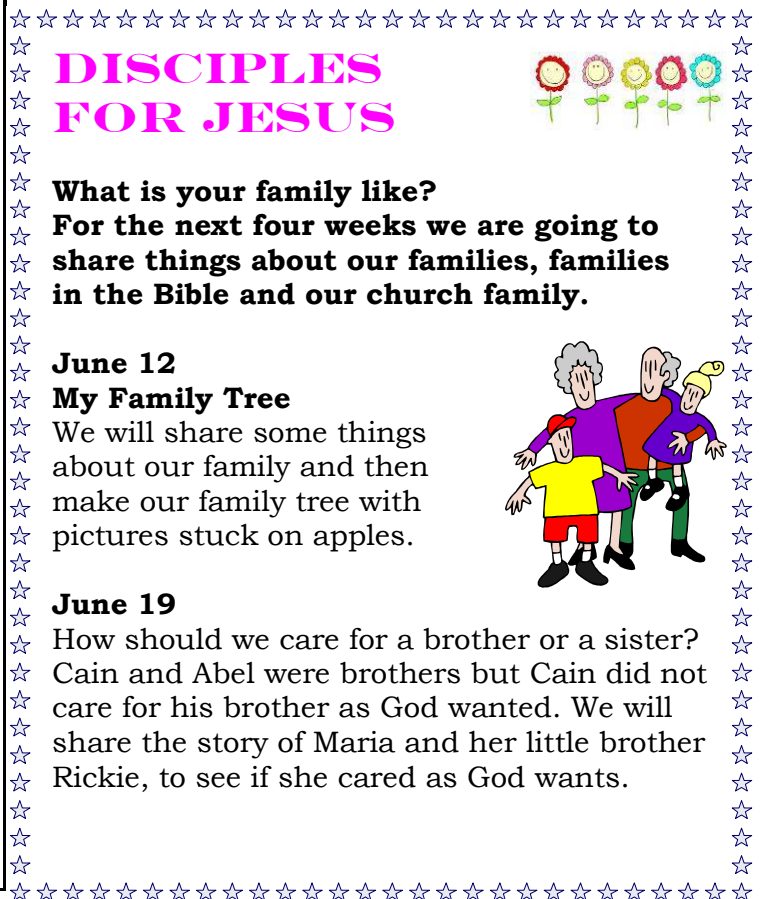

My Family Tree

We will share some things about our family and then make our family tree with pictures stuck on apples.

June 19

How should we care for a brother or a sister? Cain and Abel were brothers but Cain did not care for his brother as God wanted. We will share the story of Maria and her little brother Rickie, to see if she cared as God wants.

Steve's sayings.....

Sometimes when major issues happen in life, we wish there was some way of controlling things, or we might wish we could turn the clock back a few years. At times like this, we also ask questions to ourselves, questions like; what is life really all about? what really matters? This also gives us the opportunity to ask about what really matters into the future, what do we most want to give our time to, influence or do. As we know, Jesus gives a few pointers as to what things bring a sense of fulfilment, hope, and a that inner knowing and peace. Things like experiencing more than a superficial connection with God, love, justice, valuing people more than things and a sense of being part of a Kingdom far bigger than our own perspective. As we look to the future, if there is one thing you would like to be part of, that would help you feel fulfilled and at peace, I wonder what it might be??

God Bless, Steve
