A WORD FROM THE REV.....

Merry Christmas

There is lots in the news at the moment about Copenhagen. Perhaps it is appropriate that this Climate Change gathering of all nations working together is put on in the period of advent, as we ask what it means to wait on the coming of the prince of Peace. I wonder, as we take time to hear God the Christmas, how we might be encouraged to experience peace and Joy, sow the seeds of peace and Joy, or pray for peace and Joy.

May The peace of God, and the joy of deep connection with the eternal source of life, be with you this Christmas.

Merry Christmas to you from the Roses, and thank you for all your dedication, hard work, and love over the past year as we have sought to nurture together, God's love for this community.

God Bless
Steve
