A WORD FROM THE REV.....

WE ARE IN DEEP HOT WATER

Yes that's right, it's official, well it's not that deep really, just 6 inches, the depth of a kitchen sink. It has only taken 40 years, but now we actually have hot water (instead of "luke cold" water!!!). Oh we are an impatient bunch we are!!.

We were very fortunate. I rang "Gary the Builder" to ask what it might cost to get and install a 50 litre under-bench kitchen hot water service. He said "Right now I am lying on the ground taking out a nearly new 50 litre under-bench hot water service that a customer doesn't want any more; I will see what I can do" So here we are with long overdue hot water in the Kitchen.

As I have said before, it is amazing what happens when we are focused on doing things for the "Kingdom of God". Which leaves me wondering. This Kingdom is bigger, much bigger than our churches programs. It involves you and I, in and beyond our church association.

It leaves us wondering:

How do you hear, touch, see, or experience the divine?

What sort of things has God called you to in the past that have somehow "worked out"? How did it feel at the time? What sort of things might God be calling you to now? How do you imagine things might things work out for you and others as you hear and follow Gods calling now? What could you see happening in the future as you focus on Gods call in your life? How might your life be touched, or other lives be touched, as you continue to be a conduit for Gods love?

A penny for your thoughts God Bless Steve
