

# A WORD FROM THE REV.....

I was quite taken aback. I walked into my kitchen and here was a stranger cooking soup and offering me some!. No its not a line from a fiction novel it really happened.

Well OK it wasn't "my kitchen" per se, it was our kitchen, or perhaps, Gods Kitchen here at Blantyre Ave. The Cook it turned out was our newest sheddie. It seems to me that more and more people are seeing this place as a place to come and care for others, or a place to be cared for, a place to seek direction and ask questions?

I wonder what message the community might be subtly picking up about what God and the church stand for?

Steve.
