At the last inter church council Steve spoke about setting up an inter-church group based on Catalyst (a Baptist World aid initiative) www.catalystonline.org.au
The group will be convened by Dianne. The program will be given resources for a study once a month, leading to taking action later on in the year.

The action will consist of letters to local politicians etc.

The Kingston/Bayside LETS is just beginning & we are looking for new members!
What is LETS? LETS stands for Local Energy Trading System and is a worldwide community based organisation.

How does it work? Instead of parting with your hard earned CASH, you exchange your skills... it's as simple as that! The Kingston/Bayside LETS program is a time based system which means that everybody's time is equal.

GRIEF, LOSS AND SPIRITUALITY SESSIONS

In February 2010 the Parish of St Joseph is hosting a 5-week series exploring this topic, the impact a loss has in our lives and strategies to assist us in growing through these times.

See notice board for more details

The **ONE MISSION SOCIETY** newsletter is on the notice board this week with an update about the situation in Haiti.

A challenge

As a church we have faced and embraced so many changes and challenges in the past five years and although there have been many reservations, as a community we are still going strong. As we begin yet another phase in the life of Chelsea Church of Christ, we are invited to share our life, our love and our joy in Jesus in new and exiting ways, to think outside the box and allow God to show himself through our thoughts, actions and words.
