**WHAT A GREAT TIME TO ENJOY THE OUTDOORS—
GOD'S OWN COUNTRY**

While away I was reminded of the verse in the Hymn

"How Great Thou Art"

When through the woods, and forest glades I wander,
And hear the birds sing sweetly in the trees.
When I look down, from lofty mountain grandeur
And see the brook, and feel the gentle breeze.

How often do you take the time out to stop and smell the roses?' Often our lives become so hectic as we rush to and fro trying to complete tasks, barely taking the time to stop and chat—sorry—lots to do today!!

It is good to stop for a while—you don't have to go completely out bush, you may have a nice little quiet nook in your garden or a park close by where you can sit and thank God for His wonderful world.

We all need to take time out regularly.

I felt it a privilege to share with the first Australians at Uluru how they continue to care for country. God has given all of us this task—to be good stewards of all that He has created.

December 14th I will advise when the rehearsals begin at the Baptist church—normally during November for 3 Sundays.

New users of the hall—we are having an increasing number of tenants interested in hiring the hall and other areas of the church. Soon there will be only minimal times during the week that the church is not being used. This increases our opportunities for sharing Jesus' love by our examples.

Old Laundry attached to the annexe—will be cleaned up progressively and repainted. This area will be exclusively for church storage requirements.

Keith's Hot House - has finally found a loving owner—Lee who comes to the Mens Shed has taken over the management of the garden as well as growing veggies and plants in the hot house. If anyone is interested he is happy to show you what he has been doing.
