Prayer

Through the months of August and September, we will be looking at the broad topic of prayer. Prayer is fundamental to our Christian life and growth, but I have discovered that many people do not really understand prayer. Many have not learned how to have prayer grow in their lives into a wonderful source of strength, peace, and joy in their personal walk with God through Jesus' saving life and death, and the Holy Spirit's daily empowerment.

We will be exploring just why God would want us to pray to him. For instance, some have said, if God is sovereign, why should I pray? Doesn't he already know what he is going to do? The answer to that query is in understanding correctly how our sovereign God has sovereignly chosen to exercise his sovereignty in relation to us his image-bearers.

We will also spend time working our way through how we can develop a meaningful and effective prayer experience. What we will spend the bulk of our time on is looking at the Lord's Prayer in detail, identifying the seven topics that Jesus has given us in it, and unpacking how we can apply them into our regular prayer experience.

This will be life-changing for those who are willing to approach it with an open heart and mind, and build the discipline it provides us with into a powerful and effective prayer pattern.

Looking forward to this learning journey,

Adrian Turner

Intentional Interim Minister

Bible Study—Update

Coming to Bible Study is something for women and men to be part of on Friday mornings.

It is an opportunity to learn about, the Lord, the Old and New Testament's and to share with one another about what we have learnt from the Bible.

Bible Study is great to also share with one another life experiences we have within our lives and to share what the Lord is doing in us every day.

So, let me encourage you all to come along and be part of our Bible Study.

Janet.
