## What Does Salvation Mean Here and Now

Through the past month we explored the new and radical nature of the life that Jesus both introduced and demonstrated for us - in straightforward terms, the shift from the outward Law of the Old Testament to the internal living dynamic of Word and Spirit under the New Covenant and the destiny that it opens to us through Christ.

Our theme for the next month or so will be around the territory of the benefits and responsibilities that God's salvation has provided for us through Jesus' visit to earth, which culminated in his death and resurrection.

Salvation is the very broad term that covers many different aspects of the life that God has made available to us through our faith in Jesus. We will be exploring the intriguing and encouraging meanings and benefits behind words like 'redemption', 'atonement', 'grace', 'righteousness', 'justification', 'reconciliation', 'new birth', 'faith', 'Spirit-filled living', and 'resurrection'.

The Apostle Paul describes all these wonderful elements as 'the unsearchable riches of Christ' (Eph 3:8), which we have the privilege of beginning to plumb the depths of God's amazing grace given to us through Jesus and made alive by the Holy Spirit.

Looking forward to journeying and learning with you,

Adrian Turner

Interim and Intentional Minister
