

Gold there is, and rubies in abundance, but lips that speak knowledge are a rare jewel. Proverbs: 20:15 (NIV)

From The Pen of Pastor Judi

Arise and Build God's Kingdom.

Do you see difficulties in every opportunity – or do you see opportunities in every difficulty?

Following on from Pastor Judi's sermon – we need to come together to work for the Lord.

There is a wall which we, as disciples of Christ, are to build – one of Christian truth, righteousness and good will. A wall, not to keep people out, but to help others to 'come in.'

Each one of us, in some way or other are to take our trowel in our hand – a willing hand.

If we think that coming together of a number of us, as separate individuals, can do nothing and decide that nothing can be done – where are we building up the Kingdom of God?

We need to change this way of thinking. We should resolve to get something done, both individually and collectively. We should exercise sanctified initiative, trying to match our methods to new situations.

There is a song titled: "Call the Power Down."* We can bring down power from on high, for that is the divine equipment which makes us – **more than conquerors through Him that loved us.*

Our faith must remain firm in the Bible as the inerrantly inspired Word of God and not give in to the undermining of our Christian ethics.

Thought Provoking Words.

*Here at the cross in this sacred hour, Here at the source of reviving power,
Helpless indeed, I come with my need; Lord, for thy service, fit me I plead.
