DO YOU WEAR SHOES AND RINGS?

Have you ever struggled to walk in a new pair of shoes—you know—they are a bit tight, pinching your toe and to get them on and off you have to use your hands to help?

What if one day your hands said—well that is it—I am jealous that I don't have any shoes—so I'm not going to help you anymore unless you give me a new pair of shoes for my fingers!!

What if one day your eyes said—well I can look at the nice rings on your finger but I want a ring for myself—so I'm not going to open until I get a ring for myself!!

Yes, I know it sounds silly but this is similar to wanting to have or be like someone else—not happy until we have what they have or act/look like they do.

God made us all unique individuals with specific skills and talents that only we possess. As Christians, these gifts are to be used to work together—One Body in Christ.

If we spend our time coveting what others have or do what we are doing is 'turning our back on God and the gifts He has given us.' What a waste!!

Information from Mission and Ministry

The latest information received continues to discuss the Churches of Christ's focus on creating 'Communities of Hope and Compassion' recommends a change from a focus on Bottoms, Building and Budgets; Programs, Policies and People to:

How do we contribute to the transformation of our community; **How** do we prepare for the future; **How** do we develop leaders for the Christian movement; **How** do we grow members into ambassadors and **How** do we nurture followers of Jesus.

Those interested in reading the full article and other interesting pieces please see Judi.

Attendance at Full day workshop 'Developing and Running Programs' revealed we need to change how we do things to ensure more integration between the Church and Careworks to ensure the Church remains sustainable. I will discuss details with the Board and share these and seek your input shortly.

A recent survey sent to me showed that out of 8 local Primary school only 2—Chelsea Heights and Carrum Primary Schools provide Christian Education for the children.

CRE is not about 'making disciples' or building up the numbers of children in our church but witnessing and showing God's love.

You may be interested in doing 2 days training with Access Ministries to become a CRE teacher. As little as one hour a week can witness to many. Please see Judi
