What you may be missing about God's love. (Dr. David Jeremiah)

- ♦ God is love – you are never not loved by God.
- ♦ God loved you before you were born.
- ♦ God carved His love in stone – Every commandment is an expression of His love for us.
- ♦ God's Love never quits – nothing can separate you from the love of God in Christ Jesus.
- ♦ God wrote His love in red – Jesus lay down His life on the cross in your place.
- ♦ God loves you even when you don't love Him – nothing, not even our own sin or lack of faith can keep God from loving us with His unconditional love.
- ♦ God loves you when He's correcting you – Discipline is not punishment – it is God's way of training us to walk in paths of righteousness.
- ♦ God's love will never let you go – His love guarantees that nothing will ever come between you and Him.
- ♦ God loves you and wants you with Him forever – Jesus has gone ahead to prepare dwelling places – once there, you will be with Him forever.

God's love changes everything – those who truly understand they are loved and forgiven cannot help but love and forgive others.
