The Ripple Effect

“As all of us reflect the Lord’s glory with faces that are not covered with veils, we are being changed into His with everlasting image with ever increasing glory. This comes from the Lord, who is the spirit.”

2 Corinthians 3:18

Jesus was born to be our Saviour, and not just during the year but we can reflect with love from the Holy Spirit about the wonderful birth of our friend Jesus who we need and have trust in Him, changing us with the guidance of the Holy Spirit in our relationship with Him. Listen carefully to Jesus in prayer through the Holy Spirit. The Holy Spirit is waiting for a chance to inspire you, into being receptive in your belief of Jesus. You reflect the Holy Spirit simply by the love you show to others. Your kindness will yield kindness. And, like a good pebble tossed into a pond, the kindness we receive from the Holy Spirit flows outward from just one simple act and that is to inspire others.

Blessings Janet
