

WHAT HAS GOD CALLED YOU TO DO?

God hasn't called us to wander aimlessly, unaware of where we are headed. We are not supposed to be spiritual tumble weeds that drift wherever the wind blows. Instead God has invited us to co-operate with the Holy Spirit, to focus in the direction He is leading.

So what's the one thing you need to focus on this year to follow God's plan for your life?

What's the one thing that you know in your heart you need to do?

Today's special service provides opportunities to explore God's call on your life, together as sons and daughters of God; brothers and sisters of Christ.

Our service will start the process for you to identify the gift or gifts that God has given you or encouraging you to take a step of faith and try something you may never have tried before. God will always provide the guidance and will be with you step by step. We all need to consider this if we wish to continue to grow and mature in our faith.

Ephesians 2:10 For we are Gods workmanship, created in Christ Jesus to do good works which God prepared in advance for us to do.

Acts 20:24 I no longer consider my life as dear unto myself, only that I fulfil the mission and calling given to me by God.

She is usually at the Church Mondays, Wednesdays and Fridays so you can make a time to see her in her room or she can visit you.
