

"A SMALL CHURCH WITH A BIG HEART"

ONE LIFE AT A TIME

Sometimes we get caught up in the fact that there are so many people who have not yet come to know Jesus Christ as their Lord and Saviour that we become disillusioned and think: **"Well what can I do, it is too hard?"**

Our mission is to share Christ and love people in every way we can. God has given each one of us, through the Holy Spirit, various gifts and talents. There is not one other person who is unique like you—who has just the right combination of gifts, personality and character. God made you this way specifically so you could complete the plan He has for you while on this journey.

Taking daily time out of your day to sit in solitude and commune with God is an important way of being still enough to hear His voice and obtain His leading.

When we accept Jesus as our Lord and Saviour, the Holy Spirit comes to dwell in our hearts and minds. We are then on a journey of change—to become more like Jesus.

As this happens, the Spirit speaks to us in whispers and urges us to reach out. You may feel called to help someone across the street and think, well that was nothing. But was it? You may have been the only person to show some kindness in that person's day. Or it may be just a friendly smile or gentle hand on someone's shoulder who is struggling. You may volunteer your time and energy. You may be asked to pray for a person or feel urged to pray for a particular situation.
