COME AND DRINK THE WATER OF LIFE (Rev 22:17)

The Babylonians encircled Jerusalem and cut off the Israelite's food supply—how long could they hold out?

A month passed, then two then an entire year and still they held out.

What was their secret?

They had an endless water supply from a spring outside the city walls—a 542m long tunnel that had been built by Hezekiah. Without this, the Israelites would have been defeated.

What does this tell us today?

We need to:

- Know our life's true source
- Protect this source
- Draw from it daily.

If our security, strength and self worth comes from any other source but God, the enemy can defeat us.

Everything we need comes from God. We need to protect and nurture our relationship with Him because it will always be the focal point of Satan's attack.

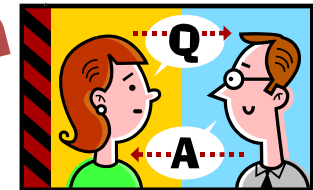

Prayerlessness is carelessness

A day without God's word is a day Satan will be heard.
