

**OUR MISSION: TO HELP OTHERS FIND THE HOPE WE  
HAVE IN JESUS**

**GOOD TIDINGS**

**29 July 2018**

**By this we know love that He laid down His life for us and we ought to lay down our lives for our brothers and sisters. John 3:16**

Loving others is one of the most important and difficult commands Jesus gave us. We are messy, broken, needy and sinful people. We constantly deal with our own wounds and those of others. Because there is no perfect person, the foundation for loving others must be based outside of the merit or youth or others.

The foundation for love must come from God who is love. We must look to Jesus as our model and believe that God can and will help.

We must believe that the Spirit is perfectly capable of taking what was dust and fashioning it into the likeness of the Son. You may believe that living like Jesus is unreachable but God's Word is not unachievable. His Word is perfect and true.

Living in obedience to God results in our journey of learning how it is done as God hears us and His Spirit becomes active within us.

**We acknowledged the Traditional Owners, both past and present on whose land we freely worship.**
